# Everything's possible.

Xerox® PrimeLink® C9265 / C9275 / C9281 Printer

# It's time to embrace agility.

When requests change by the minute, you need a printer that makes everything possible—luxury output, countless options for office and production-level feeding and finishing, with speedy, effortless workflows that help work get done faster. That's the all-new Xerox® PrimeLink® C9200 Series Printer.

#### NOW ANYONE CAN PRINT LIKE A PRO

You'll do more with PrimeLink®, a new light production engine that promises more power with print speeds up to 81 prints per minute. Whether you run an office or agency, university or print production shop, PrimeLink® is ready to enhance your image with seamless support and the widest breadth of capabilities in the light production market.

Image quality beyond what you'd expect from an office printer, with high definition, highly engaging color output. Plus:

Crisp, rich black text and pristine full-gamut color graphics with High Definition Emulsion Aggregate (HD EA) Toner

**Optimized 0.5 mm front-to-back registration** to keep all your content right where you want it

**More stable and accurate quality** with new energy-efficient LED print technology providing 2400 x 2400 dpi imaging

**Accurate density and color quality** with advanced Simple Image Quality Adjustment (SIQA)

**Support for expanded Extra-Long Sheet (XLS) printing** at greater sizes (51 in. / 1,300 mm)

**Reliable envelope feeding** in a wide array of sizes comes standard—no special kit required

## WIDE RANGE OF FEEDING AND FINISHING

Effortless production of any run—small to large—with inline finishing on virtually any media ensures you're set up for success.

**Offer more applications** with more media flexibility up to 400 gsm, and sizes up to 51 in. / 1,300 mm

**Optimize your printer for every job** with Custom Stock Libraries

**Get big capability and productivity** in a space-saving footprint

#### A PRINTER SO FUN TO USE, WORK WON'T FEEL LIKE WORK

When it comes to working better, it's all about efficiency and excellence. The new Integrated Color Server for the Xerox® PrimeLink® C9200 Series Printer delivers that and more (standard) with ready to use workflows and advanced print features, accessed via a 10 in. touchscreen for tap and print / copy / scan convenience.

The Xerox® EX and EX-i C9200 Series Print Servers Powered by Fiery® (optional) offer production tools familiar to print shops and in-printers—including a wide range of Fiery® offerings for advanced color management, job set-up and more.

## SPEEDY, EFFORTLESS WORKFLOWS AND CUSTOMIZATION

Time- and talent-saving automation with the potential to transform your workflows—and your working environment.

Accelerate your work with Xerox® FreeFlow® Core and other FreeFlow® Workflow Software solutions

**Monitor, measure and manage** your printer or entire fleet with Xerox® FreeFlow® Vision Software

**Connect and create** with the Connect for XMPie app for creative new applications, including preloaded templates for personalization

Seamlessly print from any device with support for mobile printing with Xerox® @PrintByXerox App

#### SUPER-SECURE FROM TODAY'S— AND TOMORROW'S—THREATS

With dozens of security features and certifications, PrimeLink® is ready to meet and exceed your organization's protocols. Our multi-layered approach to security is designed around three principles to ensure ongoing protection and ensure compliance, whatever your field or industry.

# All-new-from-the-ground-up Xerox® PrimeLink® C9200 Series Printer

Shown: Fiery® EX Print Server, Two-Tray Oversized High Capacity Feeder, Xerox® PrimeLink® C9200 Series Printer, Crease and Two-Sided Trimmer, Xerox® Production Ready Booklet Maker Finisher, Xerox® SquareFold® Trimmer

**Speeds:** 65 / 75/ 81 ppm

Media weights: Up to 400 gsm

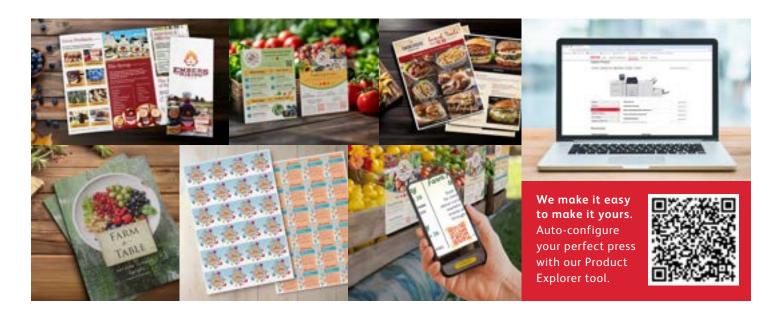

Banner media: Up to 51 in. / 1,300 mm

Standard (5 tray) capacity: 3,500 sheets with optional One-Tray Oversized High Capacity Feeder (OHCF); 7,500 sheets with Two-Tray OHCF

- 1 Optional One- or Two-Tray Oversized High Capacity Feeders (OHCF)
- 2 Tray 5 (MSI / Bypass Tray)
- 3 Remote User Interface
- 4 Smart Proximity Sensor
- 5 Dual-Head Color Scanner up to 270 ipm
- 6 Standard Trays 1-5
- 7 Optional Xerox® EX or EX-i C9200 Series Print Servers Powered by Fiery®
- 8 Standard Integrated Color Server for the Xerox® PrimeLink® C9200 Series Printer

- 9 High Definition Emulsion Aggregate (HD EA) Toner
- 10 LED Print Technology
- 11 Intelligent / Advanced Decurler
- 12 Registration 0.5 mm front-to-back
- 13 Custom Stock Library
- 14 Redesigned Paper Path
- 15 Crease and Two-Sided Trimmer
- 16 Multiple finishing options for production print and office environments
